IOVER 600 SUITS AND OVERCOATS FOR MEN \$18.50

Our assortments at this price larger than at any previous time this season.

We can fit every man up to 46 chest measurement at this price, whether he be tall or short, stout or slim, and fit him with a suit or overcoat that for style, quality of material and tailoring, cannot be matched anywhere at this price. Macy's underselling policy insures this.

Although our prices are lowest in the city, men do not come to Macy's for economy. The attraction lies in our splendid assortment at all prices, and in the limitation of that assortment to the right cut and the correct style. You could not find a suit or overcoat at Macy's that is other than 1911-12.

Whether you buy our lowest priced suit, \$14.75, or our highest priced suit, \$38.50, you are thoroughly suited. Whether you buy an overcoat at \$14.75, or an overcoat priced about three times as high, there is the same perfect satisfaction.

Come in and See What an All-Year-Round Toy Store Can Do When It Faces a Holiday Campaign

So many holiday Toy displays remind you of mushrooms— spring up over night with hurriedly assembled stocks, get all they can out of a few weeks of business, then, morning after Christmas, there is no sign of them. You do not expect much of a selection or very much Toy Store service of such only-for-the-holidays stores. And you are sure to find in such stores everything high-

priced—to the breaking point.
This Macy Toy Store is an all-the-year-round Toy Store. It is gathering and distributing Toys, Games and Playthings every week in the year. Its holiday displays set the New York standard. This year it has eclipsed anything in the nature of a Toy display that New York has ever seen.

A good many thousand New Yorkers who are in close touch with Santa Claus understand pretty thoroughly why he chooses Macy's for his headquarters year after year. This is his 54th year.

Being fair to the children (and to Santa Claus as well) merely means knowing Macy's and the Broad opportunities this store
